

FARMING *Karma* Cocktails

OUR STORY

Farming Karma Fruit Company is a family owned business located in the Okanagan.

Karma Gill and his family have been farming exceptional quality fruit for over 30 years and in 2019 they developed an award-winning fruit soda beverage for all ages to enjoy.

FROM OUR FAMILY TO YOURS

The Farming Karma team continues to innovate as they are now launching a new beverage line called Farming Karma Cocktails.

These non-alcoholic beverages deliver a premium taste in a convenient way. Made with the finest ingredients, these cocktails are a must-try.

The background is a solid orange color. It is decorated with several stylized orange leaves of various sizes and orientations, scattered around the edges. There are also several clusters of small white dots, resembling starbursts or snowflakes, scattered across the background.

0% ALCOHOL 100% GOOD KARMA

Farming Karma Cocktails are a premium, non-alcoholic alternative to alcoholic beverages. Our drinks are crafted using natural ingredients with refreshing flavours, without adding any colours or preservatives. A delicious clean beverage for all occasions.
